## Leadership

---

In the Spring of my Sophomore year, I applied and was accepted to Student Leadership Johns Creek (SLJC). SLJC is a selective student leadership training program that focuses on developing leaders within the Johns Creek community. Through the program, I had the opportunity to lead a group project that partnered with the Johns Creek Public Safety Foundation. The Public safety Foundation is an organization that assists firefighters and police officers injured in the line of duty, as well as helps pay retired K-9 unit medical bills.
